

RELEASE AND WAIVER OF LIABILITY

As with any water activity, there will always be risk. These risks include injury from shipboard activities and procedures, falling overboard, drowning, tripping, falling, and even death. This event will be conducted under the safety guidelines of The Boy Scouts of America and U.S. Coast Guard. All precautions will be taken to insure that this event is safe.

The undersigned, fully understanding that all water activities may be dangerous and involve certain inherent risks, agrees to assume all risks related to this event and will hold the Boy Scouts of America, The Greater Yosemite Council, The Point Weber Association, The Point Weber and its adult leaders harmless, and covenants not to sue in the event of any injuries or death.

The undersigned further agrees that should any dispute arise between the parties arising from or relating to this Release and Waiver of Liability and Covenant Not to Sue that the undersigned agrees to have the matter submitted to arbitration, with any matters heard in forum of California, governed by California law, and waives any right of trial by jury.
